Hamirpur, Himachal Pradesh (177005)

## SUMMARY

Computer Science & Engineering undergraduate at NIT Hamirpur with a strong interest in UI/UX design, web animations, and frontend development. Skilled in Git, GitHub, Bootstrap, and Tailwind CSS, with a focus on creating clean, responsive, and engaging user interfaces. Passionate about blending design and technology to build seamless digital experiences. Enthusiastic about learning new technologies and continuously expanding my skill set to create innovative and user-centric digital experiences.

## EXPERIENCE

### Engineering Student

#### National Institute of Technology Hamirpur

08/2024 - Present   Hamirpur, India

Studying at NIT Hamirpur, I continue to refine my technical and creative skills, blending code, design, and innovation to build impactful solutions.

- Secured 98.97 percentile in JEE Mains, earning admission to NIT Hamirpur in the prestigious CSE branch.

### Member

#### Team Technical NITH

01/2025 - Present   Hamirpur, India

As a part of Team Technical, I play a key role in managing the technical and backstage operations for various college events, ensuring smooth execution and a seamless audience experience. Through Team Technical, I assure myself to strengthen my technical expertise, crisis management, and teamwork skills, reinforcing my passion for technology-driven event execution.

### Member

#### CSEC NITH

11/2024 - Present   Hamirpur, India

As an active member of the CSE Community at NIT Hamirpur, I contribute to various tech-driven initiatives while honing my skills in web development, UI/UX, and problem-solving. Being part of the CSE Committee will surely fuel my passion for technology, web development, and UI/UX, while strengthening my problem-solving, collaboration, and leadership skills.

### Member

#### Manager, E-Cell

11/2024 - Present   Hamirpur, India

As a member of the Entrepreneurship Cell (E-Cell) at NIT Hamirpur, I actively contribute to fostering an entrepreneurial mindset among students. Through E-Cell, I strive to strengthen my management, leadership, and strategic thinking skills, reinforcing my passion for entrepreneurship, innovation, and tech-driven businesses.
